

Tuesday 17th March COVID-19 (Corona virus update)

With reference to Small Schools' Sports Day 2020

Dear Parents and caregivers,

The Australian Government advised that all organized, non-essential static mass gatherings attended by more than 500 people must be cancelled from yesterday, Monday March 16th. While the announcement is very clear that schools will remain open, sites have been required to review their current schedule and postpone any activities and events that meet these criteria.

Consequently, we have been consulting with the Department for Education and our Education Director to inform our decision making.

In reference to the "Small Schools' Sports Day" due to be held on the 3rd April, this event will be postponed. The Small Schools will meet as a group and will determine a new date, we will communicate this to you as soon as we are able.

Every effort is being made to minimize the disruption to student learning and your child's site will provide more information and advice as it comes to hand. In the meantime, we are asking children to wash their hands thoroughly with soap and water after they visit the toilet and before they eat.

If you would like more information about COVID-19 please make contact the National Coronavirus Health Information Line on 1800 020 080.

If you have any queries regarding this information, please contact your Principal directly at school.

Kind Regards

Tamarin Condon

President, Small Schools' District Sports Day
