## Student Dress Code

The Compton School Governing Council approved the following dress code and is a **Department for Education requirement** that all children attending the Compton School adhere to it.

It is felt that the uniformity of this dress code would have the following advantages:

- ✓ Add to the presentation of our school within both the local and district communities.
- ✓ Build self-esteem amongst students through a feeling of belonging to a team and organization.
- ✓ Discourage peer group pressure.
- ✓ Allow a cheap alternative when dressing children for school.

Our designated colors are bottle green, gold and black but there are no specific clothing brands so parents may take advantage of a range of local providers.

Of the items listed below hats, scarves, t-shirts, jumpers and beanies can be purchased from the school Office. Spray jackets can be ordered.
